PRODUCT NAME	6" Round RGBW LED Downlight - 18W, 24VDC
SKU	RGB+W: LD-FL-6R-RGBW RGB+WW: LD-FL-6R-RGBW
URL	RGB+W: Click Here RGB+WW: Click Here
DESCRIPTION	<p>Our 6 inch round RGBW LED Down light is a remarkably sleek and modern flush mount lighting fixture designed for common drywall mounting. The 3 channel RGB color changing capabilities combined with the single channel cool white or warm white light output makes for over 4 billion color variations and creates useful lighting with the ability to provide color changing effects when desired. To install simply mount this fixture in any circular drywall hole with a 6.25"-6.35" diameter. Using only 18W of power at 24VDC this product is not only energy saving but plenty bright to set the mood for any occasion. This color changing LED fixture is ideal for homes, bars, night clubs, game rooms, stages, concert venues, or any other application where a modern, controllable, and color changing fixture is required. Emits no UV or IR, RoHS and CE approved. For use only with compatible 24VDC Constant Voltage power supplies and 24VDC common anode 4 channel RGBW controllers.</p>
