

CONNECTION GUIDE

Bright Star 40" x 2.3" RGB Wall Washer 24V, 60W

PRODUCT MEASUREMENTS

LAYOUT SUGGESTION

NOTE: WALL WASHER CAN BE DAISY CHAINED, BUT WE RECOMMEND CONNECTING NO MORE THAN TWO 60W WALLWASHERS IN SERIES. FOR OPTIMAL LIGHT OUTPUT, BEST RESULTS WILL COME FROM RUNNING A WIRE FROM RGB CONTROLLER OUTPUT TO THE BEGINNING OF EACH WALL WASHER WHEN POSSIBLE, AS SEEN IN LAYOUT ILLUSTRATION.
