### SKU

WW-SC-RGB5

### DESCRIPTION

This RGB LED Wall Washer is a 40" x 2.323" linear type light with 60W 24VDC rated power use. It has twenty 3 in 1 Epistar RGB LEDs to produce bright and vivid lighting on walls, buildings, ceiling and signs. This wall washer is able to produce up to 16.7 million shades of amazing color. This light fixture can project light up to 100 feet. This light is encased in an IP65 water-resistant aluminum housing. Tempered glass and stainless fasteners give this light long lasting outdoor use. This light can be controlled by RGB or DMX controllers using a 4-pin, 3-loop common anode connection. We recommend no more than two 60 watt wall washers connected in a series. Attached male and female waterproof connection lead wires included. For easy connection of wall washers, power supplies and controllers, use the many waterproof connectors wire options. Non-submersible.
